Subject: Re: Seward Coal Loading Facility - Plaintiff Briefs etc.

Mr. Maddox:

My apology for piece-mealing information requests but as staff evaluate the Defendants' brief I anticipate questions will be raised on what issues were expressly raised by Plaintiffs and how were those issues argued by the Plaintiffs.

If your time permits, would you please send me pdfs of the Plaintiffs' summary judgment motion & brief and copies of the parties' response briefs, assuming the court allowed an opening brief and a response brief for plaintiffs and defendants. If there is only one brief allowed for each side, please let me know that too.

Thanks again for your help. Please call me if you have any questions about this request.
